DWYER PROCESS INSTRUMENTATION SOLUTIONS

DIFFERENTIAL PRESSURE

- Filter monitoring
- Room pressure monitoring
- Blower/vacuum monitoring
- Exhaust monitoring
- Scrubber monitoring
- Hazardous rated solutions available

VARIABLE AREA FLOWMETERS

- Air, gas, or liquid monitoring
- Cabinet purging
- Air samplers
- Gas analyzers
- Pollution monitors
- Noble gas monitoring
- Hazardous rated solutions available

SUBMERSIBLE LEVEL TRANSMITTERS & POINT LEVEL SENSORS

- Level monitoring
- Tanks
- Wells
- Lift stations
- Input for pump control
- Hazardous rated solutions available

INDUSTRIAL PRESSURE TRANSMITTERS

- Pressure monitoring
- Hydraulic
- Irrigation
- Pump
- Compressors
- Hazardous rated solutions available

VANE FLOW SWITCHES

- Flow monitoring
- System protection for flow/low - no flow conditions
- Analog pump control
- Hazardous rated solutions available

PRESSURE SWITCHES & CONTROLLERS

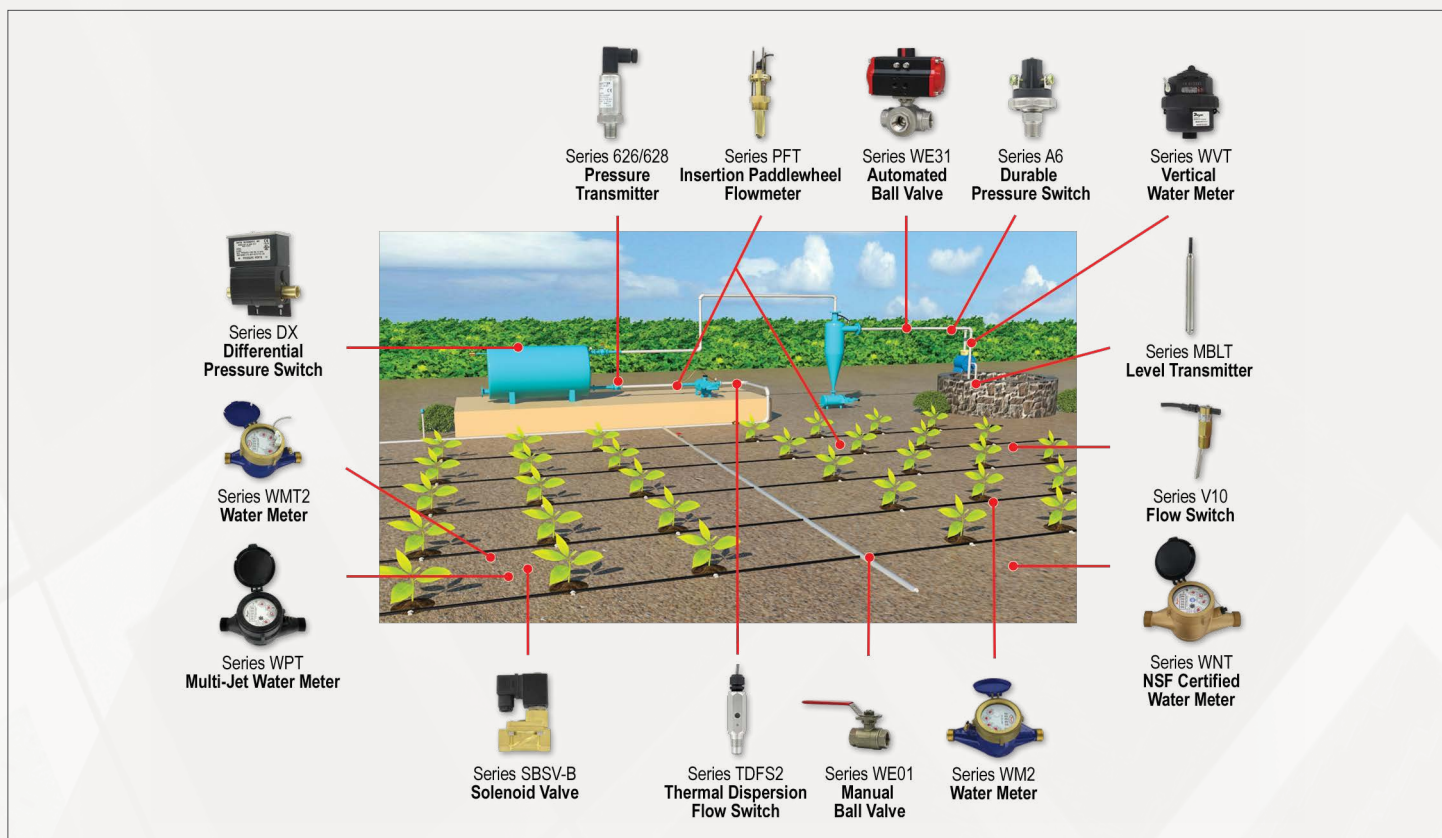

- Pressure monitoring
- System protection for hi/lo pressure conditions
- Analog pump control
- Hazardous rated solutions available

PRODUCT APPLICATIONS

IRRIGATION

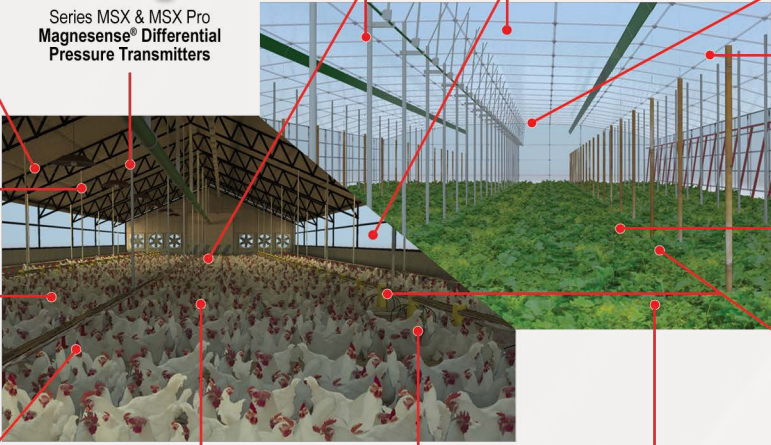

CLEAN WATER

PRODUCT APPLICATIONS

POULTRY/HOG/GREENHOUSES

Series 616KD Differential Pressure Transmitter

Series MSX & MSX Pro Magnesense® Differential Pressure Transmitters

Series WMT2 Water Meter

Model 485B Thermo-Hygrometer

Series RHP Humidity/Temperature Transmitter

Series WHT Humidity/Temperature Transmitter

Series CDWP Carbon Dioxide Transmitter

Series F6 Level Switch

Series AQH-20 Indoor Air Quality Meter

Series O-4 Temperature Sensor

Series A3000 Photohelic® Pressure Switch/Gage

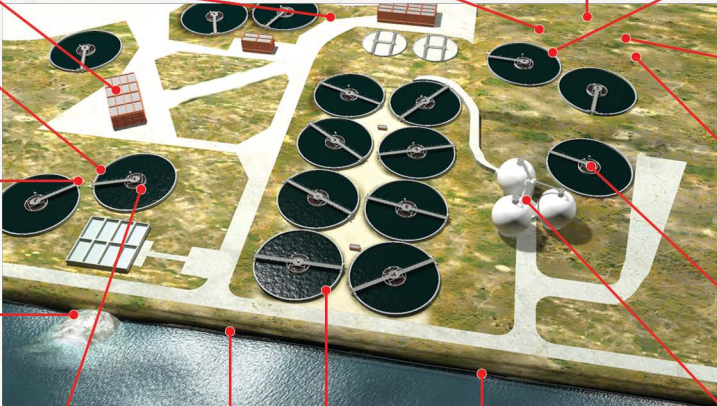

Series WNT NSF Certified Water Meter

Series TSW Weather-proof Temperature Switch

Series WPT Multi-Jet Water Meter

Series WD3 Water Leak Detector

WASTEWATER

Series DA & EDA Pressure Switch & Controller

Series L4 Float Level Switch

Series L6 Float Level Switch

Series TTE Temperature Transmitter

Series VF Visi-Float® Flowmeter

Series IS/PX/TX Insite™ Air/Liquid In-Line Flowmeter

Series WE Control Valve

Series 626/628 Pump Transmitter

Series FBLT Level Transmitter

Series PBLT2/X Level Transmitter

Series 2000 Magnehelic® Differential Pressure Gage

Series DX Pressure Switch

Series 3100D & 3200G Process Pressure Transmitters

Series UFB Ultrasonic Flowmeter Set

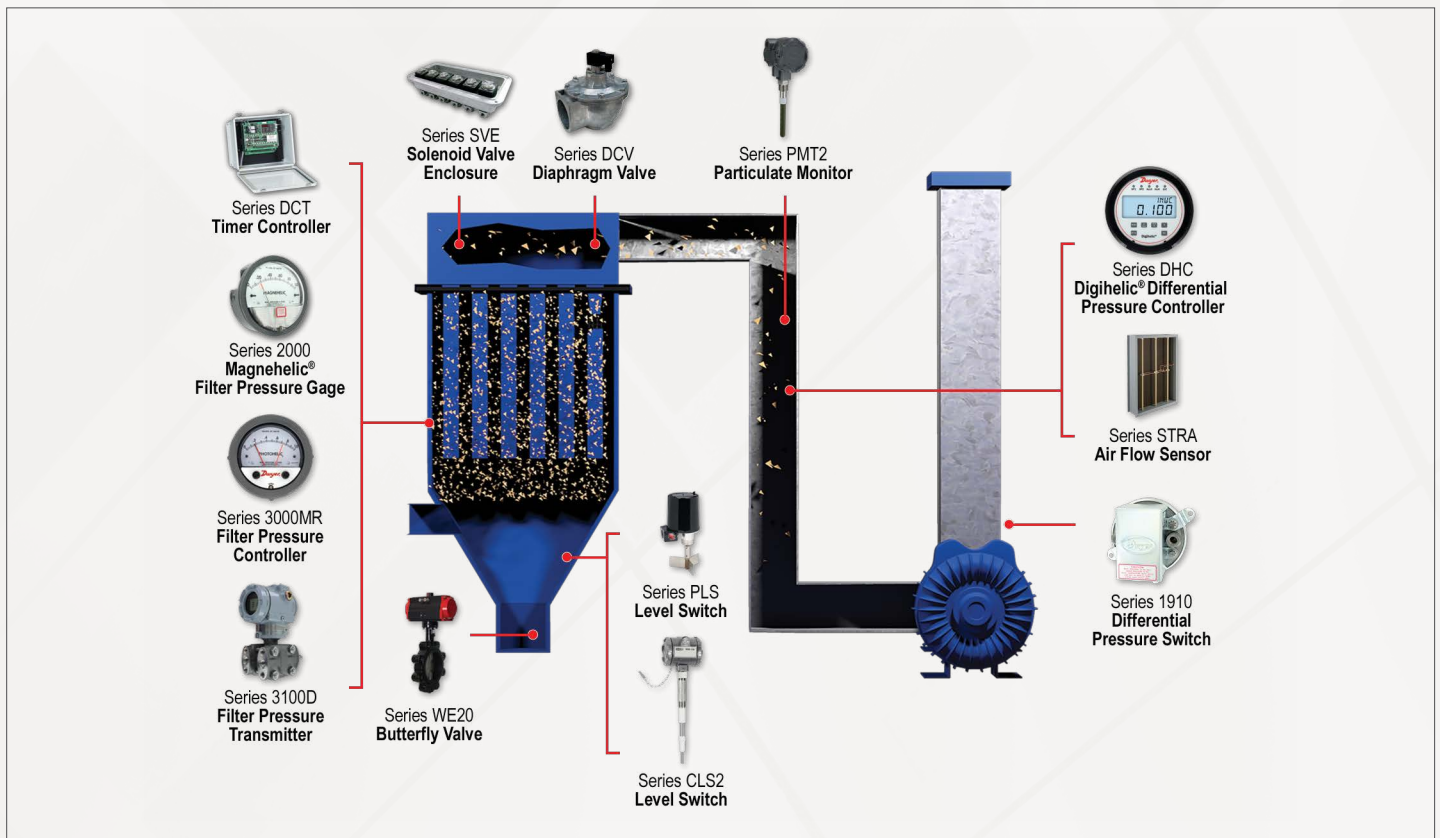

Series IEF Insertion Electromagnetic Flow Transmitter

Series ULT Ultrasonic Level Transmitter

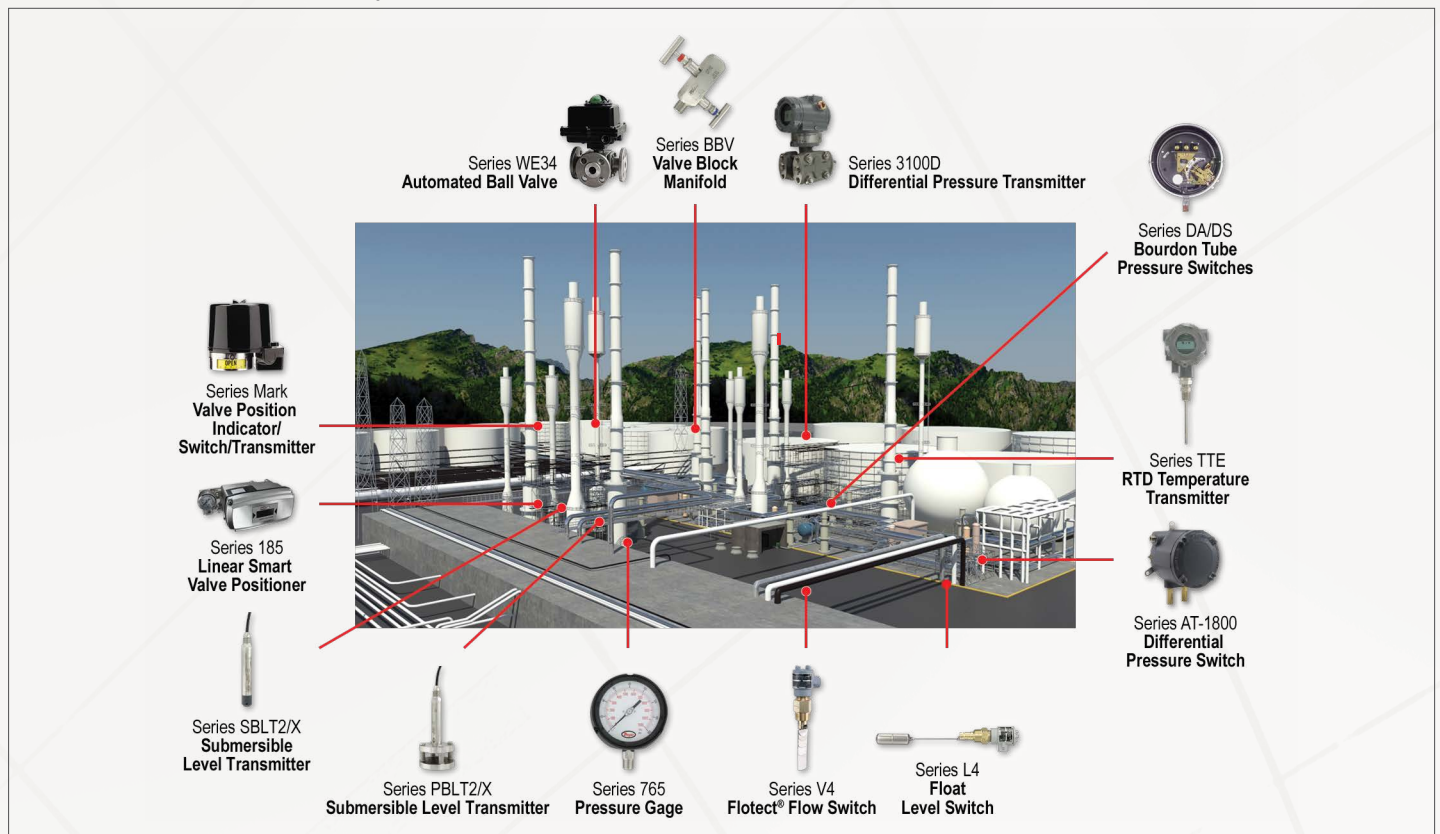

Series PUB Portable Ultrasonic Flowmeter Kit

PRODUCT APPLICATIONS

DUST COLLECTOR

MIDSTREAM REFINERY/CHEM PLANT
